Co-founder of rigitiX. 5+ years running go-to-market, partnerships and community-led growth across consumer tech, fintech and wallets, AI and Web3. I turn communities into users, revenue and distribution, without relying on ad budgets.

SELECTED RESULTS

9-figure ₦	**~78%**	**17,067 → 30,367**	**~90%**
GMV on rigitiX, with no paid acquisition	rigitiX growth, year over year	Zerion Nigeria users in 3 months (~78%), organic	win rate on rigitiX proposals and offers

EXPERIENCE

Co-Founder, Marketing & Growth rigitiX — 2025 - Now

- Own positioning, GTM, content, community, partnerships and organic acquisition for Africa's event OS (ticketing, door, promoters and settlement), with cross-functional teams of 10+.
- Took rigitiX from about 3k organic users in one city to 5 cities, 170+ events, 50k+ tickets and 9-figure ₦ GMV, with no paid acquisition. 7.7K+ monthly active users (Sep 2026).
- Built a sales network of creators who sell tickets, backed by content, community and partner-led distribution. Brought in B2B work with corporate, campus and venue partners at a ~90% proposal win rate.
- Led the rebrand launch from "rigitiX by CodeRigi" to rigitiX. Case study: samueluj23.github.io/#rigitix

Zerion Ambassador & Nigeria Growth Lead Zerion — Dec 2024 - Now

- Grew Zerion Nigeria users from 17,067 to 30,367 (Dec 2024 – Mar 2025) through daily education, onboarding and campaign content.
- Launched and ran the official @zerionNG account on my own: 2,600+ posts, 1,000+ community members, 10+ quests and bounties, 3+ X Spaces. Led the Zero Nigeria → Zerion Nigeria rename.
- Hosted Zerion's Self-Custodial Dinner for 30+ Nigerian Web3 KOLs and builders; the recap passed 11k views and was featured by @zerion. Spoke for Zerion at the Crypto Soirée in Lagos (Jun 2025).
- Case study: samueluj23.github.io/#zerion

Community Manager, previously Moderator GameGPT by Prism — Dec 2023 - Mar 2025

- Grew the Telegram from 14k to 50k+ members (3.5x) through the $DUEL token launch and the Genesis NFT presale and auction (Jan 2025).
- Ran the welcome flow, campaign calendar, town halls, contests and weekly reporting; connected Telegram, Discord and X for quests, Spaces and launches. Case study: samueluj23.github.io/#gamegpt

Partnerships Associate (part-time) Wondera — Aug 2023 - Feb 2024

- Closed 20+ Web3 partnerships for an AI music and karaoke app, including Pixelswap, TowerSwap and SPACE ID, and turned them into joint campaigns and AMAs.

Chief Growth Officer Dyleum — Nov 2022 - Feb 2024

- Wrote the PRD, sourced the team and set GTM for an AI-powered P2P crypto exchange. Testnet on CoreDAO and Nautilus Chain (Jun 2023), 30+ ecosystem partners, 5-figure Zebec ecosystem funding, 100+ private beta testers.

Early career Melody, Assure Wallet, SynAssets — 2022 - 2023

- Melody: co-hosted an event with KuCoin Nigeria that drew 300+ people. Assure Wallet: 1,500+ app downloads from South-South Nigeria. SynAssets: rewrote the whitepaper.

WHAT I DO

Positioning & GTM
Partnerships & B2B
Content & brand
Organic growth
Community-led growth
Events and X Spaces
